# Chamindu gimhana

Student at Sri Lanka Technological Campus  
Colombo

## Summary

I am a third year BSc Hons I am a third year BSc Hons student studying Data Science at the Sri Lanka Technological Campus , Padukka.I have long been interested in experimenting, making and planning presentations related to data science. I have high communication skills and am able to communicate effectively with many people. I wish I could find a place in the industry where I could put my knowledge and experience into practice.

---
